

T.C.T.A. is your local tennis community at work in Trumbull County, Mahoning County and the surrounding communities.

We are a non-profit group dedicated to using the game of tennis to provide a forum for meeting others with the same interests in tennis and to give direction, encouragement and opportunity to those looking to develop existing skills or to learn the game from the ground up.

Members of T.C.T.A. are made up of volunteers interested in promoting tennis and giving back to the local community by supporting the game they love.

Currently T.C.T.A. promotes tennis in our area in the following ways:

- ~ Sponsors 5 yearly tennis tournaments open to members and non-members
- ~ Organizes and hosts numerous Junior events and socials, open to all area youth
- ~ Awards yearly scholarships to deserving graduating high school seniors who have played tennis locally and served their community
- ~ Promotes interclub play between local clubs for junior and adult groups
- ~ Keeps the local tennis community informed through a monthly newsletter and web site
- ~ Holds monthly meetings to discuss issues, ongoing projects, investments and opportunities in the local area (meetings open to all members)
- ~ Monitors and assists with the ongoing development, maintenance and upkeep of local public tennis facilities
